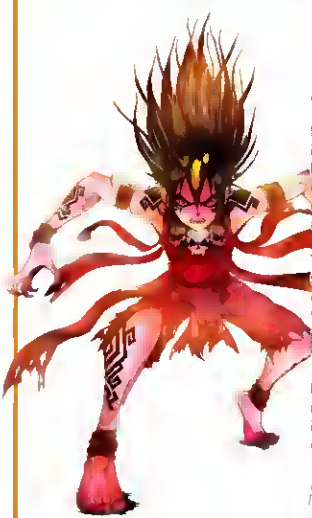
KABASARAN



About:

Kabasaran is a war dancer from Minahasa, North Sulawesi. This dance is a Minahasa traditional war dance, whose name is based on "Wasal" which means a cock who got it's cock's comb cut, so he would be more vicious in a fight.

The word "Kawasalan" then changed over time to "Kabaseran" which actually is a short form of "Kawasal in Sarian".
"Kawasal" itself means following the dance movement, while "Sarian" means the war leader which leads the military dance from Minahasa.

In the past, Kabasaran dancers would only dance in a traditional ceremony(special occasion). If Minahasa is in a war then the Kabasaran's dancer becomes a Waraney(Warrior)

Kaboseren's design in this webtoon is a mischevious, vicious, but sweet little boy. The red clothes, skull necklace, and beaded hair is based on the actual Kabasaran dance outfit
